"Run With Me"

Ain't no way you're lockin' me up
I'm just keepin' the key
Slam the door when it's gettin' too much
Gonna let myself free

Refrain:

Damn now - run with me
Leave it all behind
Damn now - run with me
Bang your head tonight

Take your life to the ultimate high
You can follow my way
Don't look back to the others now
You'll be doing ok

Refrain

Use our force - might get a surprise
Cause we've got it inside
Bring it out-our courage is strong
We'll be shinin' bright

Refrain

Ain't no way you're lockin' me up
I'm just keepin' the key
Slam the door when it's gettin' too much
Gonna let myself free

Refrain

Oh - everybody is running with me
Oh yeah - hey hey hey
Everybody is running with me - yeah yeah

Take your life to the ultimate high
You can follow my way
Don't look back to the others now
You'll be doing ok

Refrain

Use our force - might get a surprise
Cause we've got it inside
Bring it out-our courage is strong
We'll be shinin' bright
