Tonight I want to be alone
Don't want to see you
anymore anymore
Now I will make it on my own
I want be looking back for sure
back for sure You hurt my feelings very bad
I hope that no each turns it
good
And I don't wanna shout She's the winner and I'm the
fool
I just can't outstand loosing
you
I had followed the golden rules
but it wasn't enough for you She's the winner and takes
it
all
I'm the sidelight standing small
Game is over and so it seems, I
was never in whole your
dreams All the time you had consigned
What's so painfull that we
wheeled it's we wheeled
Gotta tell you that I don't care
And the memories in a blow in

a blow I hope she will be fun for you
It is the only thing I could
And I don't wanna shout She's the winner and I'm the
fool
I just can't outstand loosing
you
I had followed the golden rules
but it wasn't enough for you She's the winner and takes
it
all
I'm the sidelight standing small
Game is over and so it seems, I
was never in whole your
dreams And I don't wanna shout She's the winner and
I'm the
fool
I just can't outstand loosing

you
I had followed the golden rules
but it wasn't enough for you She's the winner and takes
it
all
I'm the sidelight standing small
Game is over and so it seems, I
was never in whole your
dreams
