Just like an empty wind  
I was standing still  
Cause I always thought someone  
Had to come to save me  
But I wont be afraid to be alone, no  
Cause everyone will find their home

Here I am  
Found myself  
With a whole world close  
And a thousand ways to go

Im a solitary rose

And Ive always been taught  
That I could reach the moon  
Cause you have to dare to win  
So why complicated things

And I wont be afraid to be alone, no, no  
Cause everyone will find their home  
Now I know that

Here I am  
Ive opened my door  
Found myself  
Not scared no more  
With a whole world close  
And a thousand ways to go  
Im a solitary rose

Was I right was it wrong to leave you?  
Or should I've maybe fought to keep you?  
No one knows  
Lets leave it to fade  
The day might come

Here I am  
Ive opened my door  
Found myself  
With a whole world close

And a thousand ways to go  
Im a solitary rose

With a whole world close  
And a thousand ways to go  
Im a solitary rose.
