My baby boy he ain't no ordinary guy  
my boo he does the things that drive you wild

and he thrills me  
my baby heals me  
electrifies  
desire  
inside

this love has got me trippin and its such a revelation  
his love keeps on hitting yeh my hearts in isolation  
need adrenalin  
loves the medicine  
now  
this love  
and it thrills me  
this love sure fulfils me  
his love the only thing i need to stay  
the ride  
this love

tonight i'm woking up an appetite  
the menu's god desert is in his eyes

and it chills me  
my baby feeds me  
intensifies  
the fire  
so bright

this love has got me trippin and its such a revelation  
his love  
keeps on hitting yeh my hearts in isolation  
need adrenalin  
loves the medicine  
now  
this love and it thrills me this love  
sure fulfils me  
his love the only thing i need to stay the ride this love  
  
this love has got me trippin and its such a revelation

his love  
keeps on hitting yeh my hearts in isolation  
need adrenalin  
loves the medicine  
now  
this love and  
it thrills me this love  
sure fulfils me  
his love the only thing i need to stay the ride  
this love
