I'm am denounced  
To be easy going  
What can I do  
Got my juices flowin' I gotta take a little time  
To rearrange my line  
Can't be givin' it away  
Just livin' for today Chorus  
To fall in love  
It is everything you can get  
Ain't got enough  
To be stayin' here with me  
Short term lovin' ain't bad 'cause it changes sometimes  
Changes sometimes  
So divine You are too proud  
Better take your hands off  
That's not allowed  
For my game  
It ain't rough I gotta take a little time  
To rearrange my line  
Can't be givin' it away  
Just livin' for today Repeat Chorus Short term lovin' ain't  
bad  
Changes sometimes  
So divine (To fall in love) To fall in love (It is everything  
you can get) (Ain't got enough) Got enough (To be  
stayin' here with me) Short term lovin' ain't bad 'cause it  
changes sometimes  
Changes sometimes  
So divine (3x)
