Chorus

I gotta be livin' upright'cause they say
You should never be to tight, girl Here today
I wanna do something special
With my life
So I adjust my thinkin'Do it right
An' you have come to me to fit the part An' I have seen
you really touched my heart I am a girl
Who likes to swim against the tide

Repeat Chorus I'm givin' up
I just can't let you leave again
No, no
Can't make it stop
You are my most important man, my friend
Does feel all right It shoulda be enough for us tonight I
gotta be livin' upright'cause they say
You should never be to tight, girl Here today
I wanna do something special
With my life
So I adjust my thinkin'Do it right
It is OKI'll prove to you, so you will see You'll have to
stay today
I can see
That there is nothing better than a man this way
Oh yeah I gotta be livin' upright'cause they say
You should never be to tight, girl Here today
I wanna do something special
With my life
So I adjust my thinkin'
