Don't you see the way that I feel  
Better start believin' it's real  
It ain't just that you broke the seal  
I don't see why I could be near you  
Oh an' I guess I don't have to say  
That there we're some days when I prayed  
You would be a-stoppin' to play  
'cause I need man who can be true  
( I need a man who can be true)

Love don't last forever  
An' I think some won't see it ever  
Better we won't stay together  
For just another day

You're nothing better than a fool  
An' you have really made me blue  
That's why I'm leavin', sugar

Anyway I'll leave you behind  
I don't want a love of that kind  
An' I just don't care when you mind  
Losin' you means to me to be free  
Hey you have not just cherished enough  
All you got receivin' my love  
So I'll make this trip really rough  
'cause I need a man who can stay true  
(I need a man who can be true)

Love don't last forever  
An' I think some won't see it ever  
Better we won't stay together  
For just another day

You're nothing better than a fool  
An' you have really made me blue  
That's why I'm leavin', sugar

Love don't last forever  
An' I think some won't see it ever

Better we won't stay together  
For just another day

(You're nothing better than a fool  
An' you have really made me blue  
That's why I'm leavin', sugar)

You're nothing better than a fool  
An' you have really made me blue
