New York is a long way from Texas  
Vegas is a long way from Abilene  
I spend lots of my time flyin' out to L.A.  
And if you've never been there  
You don't know how lonesome big towns can be

Oh, what I'd give to be a country girl again  
To be with my people, my man and my kids  
To live in a house about a mile down the road from  
mama's  
Oh Lord, what I'd give to be a country girl again?

To go walkin' down a country road at sunset  
And see colors, you can almost touch right over head  
To hear the gentle breeze of peace blowin' at the  
treetops  
No out in the country there is no talk that God is dead

Oh, what I'd give to be a country girl again  
To be with my people, my man and my kids  
To live in a house about a mile down the road from  
mama's  
Oh Lord, what I'd give to be a country girl again?  
Oh, what I'd give to be a country girl again?
