Yeah I'm young  
Still not old  
Make that money  
I'm in control  
A mans cool if I'm in town  
Don't need no one to hold me down  
I keeps it moving  
'cause that's just me  
I'm complicated  
Sleep don't come easy  
And everything I got  
Yea I worked for it  
Nothing comes for free  
Ladies if you understand just where I'm coming from  
From the BK to Hollywood come on  
If you doing you then aint a damn thing wrong  
Come on come on sing this song  
Fella's if you hear me and you handling your biz  
From your suit and tie  
Down to your tims  
Feel this - all my women sing this  
Don't stop  
Ladies - bringing the heat  
You hot  
Get up get on your feet  
Wont stop  
Being independent  
If you feel me - ladies say 'yeah'  
Don't stop  
Fellas - bringing the heat  
You hot  
Single sexy and free  
Wont stop  
Being independent  
Fellas - if you hear us say  
'Don't Stop'  
Got no worries cause I'm blessed  
And where I'm from I don't forget  
Stay focused and I don't look back  
Pay my dues and I earn respect  
I been broken, I've been down

Yeah I'm from the hood but I made it out  
I always knew at the end of the day  
It be me myself and God!  
From the BK to Hollywood come on  
If you doing you then aint a damn thing wrong  
Come on come on sing this song  
Fella's if you hear me and you handling your biz  
From your suit and tie  
Down to your tims  
Feel this - all my women sing this  
Don't stop  
Ladies - bringing the heat  
You hot  
Get up get on your feet  
Wont stop  
Being independent  
If you feel me - ladies say 'yeah'  
Don't stop  
Fellas - bringing the heat  
You hot  
Single sexy and free  
Wont stop  
Being independent  
Fellas - if you hear us say  
'Don't Stop'
