When my lips get kissed it's just from force of habit  
For a long long time I've known what's going on  
His pretending hasn't fooled me for a minute  
And it's duty not desire that brings him home

My heart is a foot stool he uses and he only takes  
advantage of my love  
The woman in me he abuses cause it's duty not desire  
that brings him home

[ piano ]

Oh does he think I'm such a fool that I don't notice  
The changes that have taken a place in him  
Where once there was passion now there's coldness

And the love once burning bright now burns so dim

My heart is a foot stool he uses...  
Yes it's duty not desire that brings him home
