Papa worked but his cheque was small  
Mama sewed just to help us all  
And our old house sure needed paint  
And when it rained, the roof would leak

Well the teacher's pet was Susie Grout  
Born with the silver spoon in her mouth  
Miss goody two shoes in sovereignty  
And I was a 'Little Miss Nothin'  
And they thought of me as

The girl most likely  
Yeah, yeah, yeah, yeah  
The girl most likely  
To wind up in uh, uh jam  
They judged by the way  
I looked not the way I am

Well I guess it's true, I looked the part  
But developin' fast was not my fault  
Didn't know my sex appeal showed through  
Those made over clothes and run down shoes

Now the doctor's son is hidin' out  
And the whole town knows what it's all about  
Because the evidence is plain  
Ha, it ain't me it's Susie Jane

The girl most likely  
Yeah, yeah, yeah, yeah  
The girl most likely  
Susie's daddy is on the run  
And he sure looks funny  
With that hot shot gun

Well the weddin' bells can't wait till June  
It'd better be now or else real soon  
Susie Jane is in the jam  
Hey listen, that gun go wam wam wam

Well some of that talk is dyin' now  
And there's a lot of most likely's in this town

Just because a house needs a coat of paint  
That doesn't mean a girl is somethin' she ain't
