(Jeannie C. Riley)

You look at me with respect and admiration  
You look at her with hunger and starvation  
But you say she's no good she's a woman of the world  
Well, your good girl's tired of bein' good while you're  
with her in her world.

You want my dress below my knees and never up  
above 'em  
She wears her mini-skirts up high and on her you love  
'em  
You say she's just a thing for kicks she'd never make a  
wife  
Well, your good girl's tired of waitin' and I'm gonna  
change my life.

You say I'm in your heart yet she's in your arms each  
night  
Respect can't keep me warm nor admiration hold me  
tight  
So take one last look at your good ole fashion girl  
'Cause the next time you see me I'll be a woman of the  
world.

--- Instrumental ---

Well, I can see that bein' good is gettin' me nowhere  
So I'll paint up my face and I'll let down my hair  
Go find another good girl then come join in my new  
world  
She can wait at home while you're out with this woman  
of the world.

You say I'm in your heart yet she's in your arms each  
night  
Respect can't keep me warm nor admiration hold me  
tight  
So take one last look at your good ole fashion girl  
'Cause the next time you see me I'll be a woman of the  
world...
