Ooh-whoa ooh-whoa ooh-oooh-ooohwhoa...

Waking up here to another day
Seems like the drama never goes away
I'ma take it, I'ma face this
Cuz aint nobody that could handle my own business

I don't give a damn what they gotta do (naw)
To me cuz i'ma keep it true
You don't like me, that don't phase me
You can try but u ain't never gonna change me

This goes out to all the fly girls (fly girls)
Don't let this bulshit rock your world (your world)
Don't get caught up, let your hair down
Oh baby dance(oh) dance(oh), dance the night away
You gotta work(work), work(work), work that thing on
me cuz we can't waste no time (no time) livin life
That way
So baby move(oh), move(oh), keep it hood and let it go

Ooh-whoa ooh-whoa ooh-oooh-ohhwhoa..

All the stuff that you gotta go through
Goes and leaves damaging you
Things ain't worth it, don't deserve this
If your gonna get better just work it
These fonies judging you, can't fit in one of your shoes
Don't be stressing, no more playing
Show them how your gonna shake off what they say
and

This goes out to all the fly girls (fly girls)
Don't let this bulshit rock your world (your world)
Don't get caught up, let your hair down
Oh baby dance(oh) dance(oh), dance the night away
You gotta work(work), work(work), work that thing on
me cuz we can't waste no time (no time) livin life
That way
So baby move(oh), move(oh), keep it hood and let it go

Ooh-whoa ooh-whoa ooh-ooh-ohhwhoa..

No matter what they do it's gonna be alright put on your
pair of shoes and just dance tonight
Let it flow let 'em know IIIlet it go
No matter what they do I'ma keep it tight
I dunno 'bout but baby it's my night
Let it flow let 'em know IIIlet it go

This goes out to all the fly girls
Don't let this bullshit rock your world
Don't get caught up, let your hair down
Oh baby dance(oh), dance(oh), dance the night away
You gotta work(work), work(work), work that thing on
me cuz we can't waste no time livin life that way
So baby move(oh), move(oh), keep it hood and let it go

Oh baby dance(oh), dance(oh), dance the night away
You gotta work(work), work(work), work that thing on
me cuz we can't waste no time (no time) livin life
That way
So baby move(oh), move(oh), keep it hood and let it go

Ooh-whoa ooh-whoa ooh-ooh-ohhwhoa..
