(Ray King - Rose Lee)

How much would you give me Mister pawnbroker  
For this one slightly used wedding band.

The parting will bring sorrow I can't face life tomorrow  
With this one slightly used wedding band.

Just one slightly used wedding band  
The symbol of love's great command  
Like this ring that I hold all our love turned just as cold  
As this one slightly used wedding band.

You see sir that's all he left me this and a memory  
Of a love that was born of a lie  
Pardon me for crying so tell me are you buying  
This one slightly used wedding band...
