Post it up on a weekend trip and all my peeps
Heading out feeling finger licking
All freshed up, ready for touching
I'm your little chula straight out of Brooklyn

What's the play, ain't smoking some days?
We had a lot of fun last time we parlayed
Check it, swoop through, so I can see you
Check the back lift the mat, no clue, what I'ma do to
you?

Can u, can u come see me tonight? Why?
'Cause I've been thinking about you all day
My parents are gone and I'm all alone
So won't you come, swing my way?

Can u, can u come see me tonight? Why?
'Cause I've been thinking about you all day
My parents are gone and I'm all alone
So won't you come, swing my way?

Dim the lights, light the candles relaxing
Smell real good, ready for maxing
If the cards play right never know what could happen
Stay game tight, got no time for slacking

Me and you first time we're alone
And around our friends only talk on the phone
And come on through 'cause I like your stylo
I'm fit to tip, we'll do whatever you wanna do

Can u, can u come see me tonight? Why?
'Cause I've been thinking about you all day
My parents are gone and I'm all alone
So won't you come, swing my way?

Can u, can u come see me tonight? Why?
'Cause I've been thinking about you all day
My parents are gone and I'm all alone
So won't you come, swing my way?

No problem momma cite, you want it, I'll cum and 'G'

you

As soon as I move dis reup the times free'ah to see you
Fly-hood in you neighborhood, heavy Chevy reamed up
Is neck pinky heavy prezzle bezzie gem'd up?

White on white air ones, all on your mommas lawn
Fitted bent low, no one knows who I'm creepin' on
What you seek find Quan learn why they call me don?
While fiend'n for me to move forward like my name
Lebron

And when it comes to cardz playin' the hand ain't
nothin'
I'm a dealer most of deez otha dudez just frontin'
And you could learn something when we build together
And if you act right I might sing a song to make ya feel
better

Can u, can u come see me tonight? Why?
'Cause I've been thinking about you all day
My parents are gone and I'm all alone
So won't you come, swing my way?

Can u, can u come see me tonight? Why?
'Cause I've been thinking about you all day
My parents are gone and I'm all alone
So won't you come, swing my way?

Can u, can u come see me tonight? Why?
'Cause I've been thinking about you all day
My parents are gone and I'm all alone
So won't you come, swing my way?

Can u, can u come see me tonight? Why?
'Cause I've been thinking about you all day
My parents are gone and I'm all alone
So won't you come, swing my way?
