Turn it up  
No time to act polite its time to do it right  
IÂ'm just a baby IÂ'm too young for ladyÂ's night  
DonÂ't need a pimp yea donÂ't need the cash  
Just wanna shake my beautiful ass  
Just wanna feel the song sweat me all night long  
IÂ'm along way from 21 late night clubinÂ'  
V.I.P access only your heartbeat can relax this  
IÂ'm a show you shit I bet we into it  
Lets get serious I aint so freakinÂ' innocent  
I wanna elevate I need to concentrate  
Like J.Lo I get down on the ass o tate

Get your back up off the wall  
When your out with me turn up the degrees  
2 turns rock your head to your feet  
Cause I got what it takes to start the party  
Turn it up make it juicy  
All the freaks on the street want to ride with me  
Step to me and youÂ'll see  
(I got what it takes to start the party)

You gotta move your hips take a hit of this  
Just wanna shake it baby until you sit  
Got no idea what the ladyÂ's like  
But I know what the boys like  
BumpinÂ' on the floor in my biggie draws  
Dj blastinÂ' like you asked for more  
Watch I donÂ't crush you when I land  
SlidinÂ' on this beat like an avalanche  
Cant get rid of me cause IÂ'm just what you need

YouÂ'll be spitinÂ' my hooks like a wanna be  
IÂ'm a let you watch me incinerate IÂ'm a blow you up  
When I demonstrate

Get your back up off the wall  
When your out with me turn up the degrees  
2 turns rock your head to your feet  
Cause I got what it takes to start the party  
Turn it up make it juicy  
All the freaks on the street want to ride with me

Step to me and you'll see  
(I got what it takes to start the party)  
(I got what it takes to start the party)  
(I got what it takes to start the party)

Get your back up off the wall  
When your out with me turn up the degrees  
2 turns rock your head to your feet  
Cause I got what it takes to start the party  
Turn it up make it juicy  
All the freaks on the street want to ride with me  
Step to me and you'll see  
(I got what it takes to start the party)  
Get your back up off the wall  
When your out with me turn up the degrees  
2 turns rock your head to your feet  
Cause I got what it takes to start the party  
Turn it up make it juicy  
All the freaks on the street want to ride with me  
Step to me and you'll see  
(I got what it takes to start the party)
