**(feat. N.O.R.E., Gemstar, Big Mato)**

Ohhhhh come on Mami  
Its R Time - Don't be shy, grab a guy and  
Goooo  
Move your body  
Show 'em how it goes down when your Latinooo  
Come on Mami  
Its R Time - Don't be shy, grab a guy and  
Goooo  
Show 'em how it goes down  
De ti nunca yo me olvidaré  
Ni de la forma que tu te mueves  
Este reggaeton quiero bailario con usted  
Me vuelve loco como ella se mueve  
My time to step up in this world  
This reggaeton wit Jeannie  
La candela let it burn  
So you could jump on this  
Or you could stay wit that  
But if you didn't know by now  
Right here is where its at  
So haters step aside  
And watch how we gon ride  
Ay bendito I'm sorry that you tired  
But I'm a do my thing  
I'm gonna cross the line  
'Cuz we gon start this party  
And we gonna get it right  
Ooooh  
Oooooooh  
Oooooh  
Ooooh Ooooh  
Ooh  
You see N.O.R.E. got part of the track so scream epal  
You lookin' right in the crib and eat chuleta  
Mami que linda she looks like a gringa  
  
But she's 100% puertorriquena  
Representado represent puertorriquena  
Si te cojo te mojo N.O.R.E. el pollo loco  
Crazy chickens busta tre-ocho

Iâ€™ll hold down and stand by your side  
Beef on your block I got niggaz to ride  
You see Iâ€™ll be there  
Jeannie be there  
Ahora aqui Mami I swear  
Jeannie Ortega riding wit Noriega pause  
Ay que buena  
Pa you gon be screaming â€œYo te quieroâ€  
And when you bop your head to my flow  
This shitâ€™s so crazy you gon want more  
I be borriqua  
So Papi ven dame tu gasolina  
I keep it real wit you Iâ€™m not a diva  
So shake you ass to this all night  
No te preocupes que llego tu flaco  
Esta noche quiero agarrate  
Para darte lo que quiera  
A mi me encanta coma bailas  
La cintura como la mueves  
De un diez le dio un nueve  
A ella le encanta mi tigueraje  
Y el tumbao que traje  
Mami dame de eso un chingo  
Contigo llgo hasta el fin  
Aterrizamos en san juan en un bote paâ€™ Quieesqueya  
Lo parqueamos por la playa  
Con la toalla en la arena  
Lena a le candela
