VERSE

Darkness all around my hurt
Everything I try don't work
There's something missing in my life
I'm tired of this constant fight

Oh

HOOK

I don't wanna run no more
I give it up to be yours
I know it's you that all along my heart was longing for
I'd give anything to be set free
And only you can give that peace
On an island quickly sinking
Your in need of a SAVIOR SAVIOR SAVIOR
We all need a SAVIOR SAVIOR SAVIOR
We all need a savior

Can you feel him tuggin at your heart
Can you feel him now can you feel him tugging
Can you feel him tuggin at your heart
Can you feel him now can you feel him tugging

Oh

HOOK

I don't wanna run no more
I give it up to be yours
I know it's you that all along my heart was longing for
I'd give anything to be set free
And only you can give that peace
On an island quickly sinking
Your in need of a SAVIOR SAVIOR SAVIOR
We all need a SAVIOR SAVIOR SAVIOR
We all need a savior

Can you feel him tuggin at your heart
Can you feel him now can you feel him tugging
Can you feel him tuggin at your heart
Can you feel him now can you feel him tugging

BRIDGE

This life can be so hard

When you don't know
Who your friends really are
And all you can think of is reaching the Stars
Then you realize
All you have is GOD

Oh

I don't wanna run no more
I give it up to be yours
I know it's you that all along my heart was longing for
I'd give anything to be set free
And only you can give that peace
On an island quickly sinking
Your in need of a SAVIOR SAVIOR SAVIOR
We all need a SAVIOR SAVIOR SAVIOR
We all need a savior

Can you feel him tuggin at your heart
Can you feel him now

Jesus be my SAVIOR

Can you feel em tugging
