Gonna sit here and feel sorry for myself the one I want  
is with somebody else  
And it's nobody's fault but my own everything I had  
going for me is gone  
I didn't know what the good thing I had so I'd let it go  
and oh the future is bad  
So I'll punish me by sittin' here alone everything I had  
going for me is gone

[ dobro - steel ]

Those sweet morning kisses I recall wonder if they ever  
cross his mind at all  
Why can everything so right go so wrong everything I  
had going for me is gone  
I didn't know what the good thing...  
Everything I had going for me is gone
