Gonna sit here and feel sorry for myself the one I want
is with somebody else
And it's nobody's fault but my own everything I had
going for me is gone
I didn't know what the good thing I had so I'd let it go
and oh the future is bad
So I'll punish me by sittin' here alone everything I had
going for me is gone
[dobro - steel]
Those sweet morning kisses I recall wonder if they ever
cross his mind at all
Why can everything so right go so wrong everything I
had going for me is gone
I didn't know what the good thing...
Everything I had going for me is gone
