I fall to pieces each time I see you again
I fall to pieces how can I be just your friend

You want me to act like we've never kissed
You want me to forget pretend we've never met
Oh I've tried and I've tried but I haven't yet
You walk by and I fall to pieces

I fall to pieces each time someone speaks your name

I fall to pieces time only adds to the flame

You tell me to find someone new to love
Someone who'll love me too the way you used to do
But each time I go out with someone new
You walk by and I fall to pieces
