When you said you were leaving tomorrow that today
was our last day
I said there'd be no sorrow I'd laugh when you walked
away
But a little bitty tear let me down spoiled my act as a
clown
I had it made up not to make a frown but a little bitty
tear let me down

I said I'd laugh when you left me pull of funny as you
went out the door

And I'd have another one a waitin' to wave goodbye as
you go
But a little bitty tear let me down...
[dobro]
Everything went out like I planned it and I really put on
quite a show
And I thought I could stand it until you got through the
door
But a little bitty tear let me down...
A little bitty tear let me down
