Put my money on you  
Bet she won't abuse my love  
No, she won't  
(Yes, she will)  
If she do it's all good

Many hearts in the house tonight  
But I bet this shorty's gonna be my wife  
If I lose it all it's just money spent  
As long as I can pay my rent  
([Incomprehensible])

I ain't rich, I ain't poor  
(Working at the corner store)  
Taking out the trash and sweeping floors  
(It's alright but I want some more)

8 to 5, 7 days a week, I work  
(On a salary)  
So I can't ball like the other guys ball  
(What I got I put it on you)  
You feelin' this

Put my money on you  
Bet she won't abuse my love  
No, she won't  
(Yes, she will)  
If she do it's all good

Many hearts in the house tonight  
But I bet this shorty's gonna be my wife  
If I lose it all it's just money spent  
As long as I can pay my rent  
([Incomprehensible])

I know, I know  
This might sound a tad bit crazy  
I don't know for sure  
But I think I found an angels baby

I met a girl in the club last night  
She could be my wife

Now I'm 'bout to roll the dice  
(Girl everything I got I)  
Put it on you  
(I gotta move)

Put my money on you  
Bet she won't abuse my love  
(My love)  
No, she won't  
(Yes, she will)  
If she do it's all good

Many hearts in the house tonight  
But I bet this shorty's gonna be my wife  
If I lose it all it's just money spent  
As long as I can pay my rent  
([Incomprehensible])

Been saving my pennies, nickels and dimes  
I knew one day I'd find a girl just like you  
She makes my heart go pit pat  
(And I never had a girl do that)  
I think I'm in love  
(Say)  
Say  
(Girl I'm in love)  
With you

Put my money on you  
Bet she won't abuse my love  
No, she won't  
(Yes, she will)  
If she do it's all good

Many hearts in the house tonight  
But I bet this shorty's gonna be my wife  
If I lose it all it's just money spent  
As long as I can pay my rent  
([Incomprehensible])

Put my money on you  
Bet she won't abuse my love  
No, she won't  
(Yes, she will)  
If she do it's all good

Many hearts in the house tonight  
But I bet this shorty's gonna be my wife  
If I lose it all it's just money spent  
As long as I can pay my rent  
([Incomprehensible])
