She's got the love

She's got the love that a brother needs  
Hers is so unexplainable to a certain degree  
But it's for me  
Ah, for me

She's got the love that a brother needs  
Hers is so unexplainable to a certain degree  
But it's for me  
It's for me

Look at her, moving so gracefully in my mind  
Everyday, every night, feelings so strong  
I'm too weak to fight  
The things she do no one else can  
Even my best friend don't understand  
Too many times I've tried, I can't explain it  
I just know, honey's got it

She's got the love that a brother needs  
Hers is so unexplainable to a certain degree  
But it's for me  
For me

She's got the love that a brother needs  
Hers is so unexplainable to a certain degree  
But it's for me  
But it's for me

Some like 'em big, some like 'em small  
Some like 'em tall, some like 'em short  
I like 'em all, I like 'em all, yea  
It takes a certain kind of woman to get next to me  
You don't have to be too extravagant, girl, just be good  
to me  
I like the way you walk, I like the way she talks  
Everything you do girl

She's got the love that a brother needs  
Hers is so unexplainable to a certain degree  
But it's for me

It's for me
