Speaking: This is for the one that you love... You've been with them for a long time. (Take 'em by the hand and hold on to 'em)

Chorus: We're Together Baby
(and you know nothin can break you)
Can't break us up
Heaven made my heart
baby,
(and you feel good about it)
Just for you...
(yeah,yeah).

I'll...
(just clap your hands everybody)
Love you forever my baby
(forever my baby)
Know that's one hell of a
statement my darling,
(I feel good about it)
But it's true...
(yeah)
We're together baby!

Verse 1 - I've been loving you girl for
a long time
I just can't see myself
stopping now.

Been around the world,
but I've never stayed too
long,
Because until I get next to
you, I'm alone.{umhmm}

Some people say,
{some people say}
You haven't loved until
you've lost,
You haven't lost until
you've loved.

The one you gave your
heart to and now they're
gone {hey}

My friends they laugh at
me.

They say I keep a silly
smile on my face,
But my friends, gone be
mad at me
cuz in the end I know I'm
gone win this race.

We're Together yeah!

Chorus: We're Together Baby
(oh yeah, together baby yeah),
Can't break us up
Heaven made my heart
baby,
Just for you.
(Only you girl). I'll..
(I'll love you baby yeah)
Love you forever my
baby...
(Forever my baby yeah),
Know that's one hell
of a statement my
darling
(but it's so true)
But it's true (so true).

We're Together Baby!

Verse 2: We've been up and we've
been down.
Been on top every since I
found,
Your love, your love, your
love.

It was a beautiful day
you came my way,
the sun was shining.

Didn't think good luck
was in my range
but since you came around
me, my whole life has
changed {changed}.

Now for you I'll do anything,
baby it's true, I keep a smile
on my face and you're the
blame.

Cuz I know, I'll never be
lonely,
My friends are gone be mad
at me.
Cuz in the end I know I'm
gone win this race.

We're Together yeah!

Chorus: We're...
(ooh we)
Together Baby
(can't let nothing break this love I have for you),
Can't break us up
Heaven made my heart

Verse 3: Wanna give you all my love,
Take it, all of my love.
When it's gone, it's gone,
I won't be mad about it,
Use me until you use me
up.

Oh we can roll,roll,roll,
when you're Hot or you're
Cold,
And when you're done I can
give you some more.

When you see me smiling
all the time I'm tryna' keep
from laughing
'cuz they're trying,

{trying to keep this love from lasting },
But it's no good {no good }
girl you know, they should,
Find something else to do
They won't be breaking me
and.. You and I...
