I've been dreaming, having these fantasies of you (oh  
you you)  
In this head you're my woman now  
My soul belongs to you (oh you you)

The Love that you've given me  
Has proven to be the essence of this man (oh you you)  
So from now on until eternity girl I wanna be your man  
cause I'm in  
love

When love comes runnin in the front door can't hold it  
back no  
If you feel me then you understand my heart is in you  
hand  
I've never loved like this before girl  
When love comes runnin in the front door can't hold it  
back no

Someday I'm gonna write a letter  
Telling you how I feel about you  
I can write a whole book about you  
I can even build a statue with sand  
With you in a long train wedding dress  
holding my hand  
I'll be like clock that won't tick nomore  
Baby I'd be broken hearted

When love comes runnin in the front door can't hold it  
back no

Baby when you leave I be wanting more of them little  
things about  
you I do adore yeah

When Love comes runnin in the front door can't hold it  
back no

If you feel me then you understand my heart is in your  
hand I've  
never Loved like this before girl

When Love comes runnin in the front door can't hold it  
back no

Girl to me you're special so special girl so special girl.  
So special so special girl

So special so special girl so special girl

Um um um um ummm!

Um um um um umm!  
Girl I can't say nothin but

Um um um um ummm!

I don't wanna do nothing but concentrate on Lovin you  
baby

When Love comes runnin in the front door can't hold it  
back no

If all the buildings in the world came tumbling down  
As long as I'm with you I would never frown

When Love comes runnin in the front door can't hold it  
back no

If you feel me then you understand my heart is in your  
hand I've  
never loved like this before girl

When Love comes runnin in the front door can't hold it  
back no

Baby when you leave I be wanting more of the little  
things about you  
I do adore

When Love comes runnin in the front door can't hold it  
back no

Girl to me you're special so special so special girl

When Love comes runnin in the front door can't hold it  
back no
