I've been doing the strangest dreaming  
I left not knowing where I was going  
And you're so misty and I'm so twisted by the way I feel  
I'm spinning like a wheel  
My love is so surreal  
Walked for ages through different stages  
Of all my failures and past disclaimers  
And in this city being lost aint pretty like it used to be  
Now when my mind is free  
Things get on top of me  
Oh, I'm more alone when I'm with you  
There, you got me  
There's no hiding the future's riding  
On coming clean with the past I'm fighting  
Cos when you're with me I'm forced to see me as I  
really am  
I'm not s'posed to be thinking of you  
Atleast not this way but now it's too late  
And you're so misty and I'm so messed up in this  
reverie  
I'm never gonna be all that I hoped I'd be  
Oh, I'm more alone when I'm with you  
There, you got me  
I'm done with holding out for the sky  
Oppurtunity passes me by  
Cos it's true you don't think of me  
The way I think of you  
Come on admit it it's true  
Oh, I'm more alone when I'm with you
