Smile when you want and tell me you're happy
Laugh when you want to tell me you're true
Smile when you want and tell me you're happy
Laugh when you want and tell me you're through

I'm not happy, I'm not happy, I'm not happy

Smile when you want and tell me you're happy
Laugh when you want to share your brew
Smile when you want to make it all crappy
Laugh when you want to tell me I'm through

I'm not happy, I'm not happy, I'm not happy

You know, you know
Tell me what's all about, tell me what's it all about
You know, you know
Tell me what's all about, tell me what's it all about
You know, you know
Tell me what's all about, tell me what's it all about
You know, you know
What's it all about?

Smile when you want to tell me you're happy
Laugh when you want to tell me you're through
Smile when you want to make it all sappy
Laugh when you want to tell me we're through

I'm not happy, I'm not happy, I'm not happy

You know, you know
Tell me what's all about, tell me what's it all about
You know, you know
Tell me what's all about, tell me what's it all about
You know, you know
Tell me what's all about, tell me what's it all about
You know, you know
What's it all about?

You know, you know
Tell me what's all about, tell me what's it all about

You know, you know
Tell me what's all about, tell me what's it all about
You know, you know
Tell me what's all about, tell me what's it all about
You know, you know
What's it all about?
