Don't be too alarmed next time you hear me raise my
voice
I don't want to do it but you've left me with no choice
All around me situations that I can't escape
I'm helpless with the feeling that my actions come too
late

Yeh, yeh...

I guess sometimes it's my fault this trouble that I'm in
But usually I'm certain that all my trash thrown in the
bin
Going over speed limits will make you see the light
There's no consideration for the fact you're still alive

Oh, nooo...

It's a trap x 5
(Trapdoor) x 5

Don't be too alarmed next time you hear me raise my
voice
I don't want to do it but you've left me with no choice
All around me situations that I can't escape
I'm helpless with the I'm feeling that my actions come
too late

Yeh, yeh...

Don't be too alarmed next time you hear me raise my
voice
I don't want to do it but you've left me with no choice
All around me situations that I can't escape
I'm helpless with the I'm feeling that my actions come
too late

Oh nooo...

It's a trap x 10
(Trapdoor) x10
