I guess I thought you'd be here forever  
Another illusion I chose to create  
You don't know what ya got until it's gone  
And I found out a little too late

I was acting as if you were lucky to have me  
Doin' you a favor I hardly knew you were there  
But then you were gone and it all was wrong  
Had no idea how much I cared

[Chorus:]  
Now being without you  
Takes a lot of getting used to  
Should learn to live with it  
But I don't want to  
Being without you  
Is all a big mistake  
Instead of getting easier  
It's the hardest thing to take  
I'm addicted to ya babe  
You're a hard habit to break

You found someone else you had every reason  
You know I can't blame you for runnin' to him  
Two people together but living alone  
I was spreading my love too thin

After all of these years  
I'm still tryin' to shake it  
Doin' much better they say that it just takes time  
Deep in the night it's an endless fight  
I can't get ya out of my mind

[2nd Chorus:]  
Being without you  
Takes a lot of getting used to  
Should learn to live with  
But, I don't want to  
Being without you  
Is all a big mistake  
Instead of getting any easier

It's the hardest thing to take  
I'm addicted to you  
You're a hard habit to break

You're a hard habit to break (hard habit to break)  
I'm addicted to You
