Verse 1:

This will take some explaining but I think you will agree
There is no use pretending that there's hope for you
and me

Chorus:

And I love her, but do you think she can see
When I tell her, it's the end for you and me
It was over, ever since you went and shot me
Like a harpoon
Like a harpoon
Like a harpoon in my heart....
Like a harpoon
Like a harpoon in my heart

Verse 2:

Yeah

I can handle the fighting, it's the affection I can't stand
And I don't mind us talking, just don't try and touch my
hand

Chorus

Verse 3:

When you left I didn't want you back
But now your gone so won't you come right back
Come right back

x 5

Chorus

Why does it hurt
Simple matters don't seem worth
We're the same
but it's not happen
ing again
Chorus
