Jebediah - Look That Way
=====

Verse 1:

Heavy perfume
I know she's entered the room
A smile painted on her face
Winner of the impossible race

Chorus:

She wants to be happy
I turn around and say
it's dead easy x 2
I did it yesterday
And I'm fine now, just fine
Well it sure don't look that way
No it sure don't look that way

Verse 2:

Doubts in her mind
The mirror's never been kind
Ever since she was in school
Now she thinks she knows what to do

She wants to be happy
I turn around and say
it's dead easy x 2
I did it yesterday
And I'm fine now, just fine
Well it sure don't look that way
No it sure don't look that way

Verse 3:

Yeah tricks of the trade
My mind's already been made
She's never going to be
The person she wants to be

She wants to be happy
I turn around and say
it's dead easy x 2

Idid it yesterday
And I'm fine now, just fine
Well it sure don't look that way
No it sure don't look that way
