Leave it to me
Turnin' nothin' into somethin'
Nothin's workin' out just fine
More than a dream
I'm thinkin' things I shouldn't
Knowin' that you'd never be mine

Chorus:
Oh, I'm a fool
For fallin' for your kisses
And losin' at your little lovin' games
Ah ooh, I didn't see it comin'
I guess I let my heart get in the way
Talk of the town
Foolin' around
For you I guess it wasn't enough
Oh, I wasn't thinkin'
I got it all mixed up with love

Alone in the night
I hear the wind a singin'
Ringin' out the sound of your name
I know you were right
Our hearts were made for breakin'
Now the price of love is feelin' the pain

Repeat chorus twice

Oh, I wasn't thinkin'
I got it all mixed up with love
