feat. B.A. Barakus, Diamondback, Louis Logic
Yeah, Vinnie Paz baby
2 G baby
Army of the Pharoahs
All that good shit
[Ikon the Hologram]
Yo, yo
The law of lower man smashes
Through your skull with battle axes
We with masses, with the ????
That slashes
Crushing opposition like we was fascists
Stigmata and four gashes
We bashes, the faggots who can't attack it right
Take they sternum and then turn them into my acolytes
That's the sight of blood that make a child stop
That's the rights of thugs that keep it wild hot
I hate you, say to pray to a heavenly father
It's fatal, like a natal military armada
We hotter, warriors from Atlantis
Couldn't understand how raw the Hologram is
The mantis who use the flame rod
'Cause y'all couldn't physically bruise the name God
[Diamondback]
Yo the technique, detrimental to your immune
Leave you in the dust, let y'all niggas choke on fumes
It's the tight mights, aerodynamic, gigantic
Straddle while cats is dominant, royal highness
North Philly's own home-grown cham-pion
Purposely remainin' unknown until June
Cold as stone, the stage, my home away from home
I, prefer to leave these cloned niggas alone
Buildin' a home for lost MC's gone wrong
Feel the pressure when my team come on strong, it's
QD
[Chorus repeat 2x]
scratches
Don't ever try to...
But can't the skill execute this right
Listen up y'all suckas to what I say
Breakin out an unstoppable...

[Jus Allah]
Megatraum is fuckin' monstrous
Hoppin' out of Lake Lock Ness
Every motherfucker arraigned is left top-less

Quell my metropolis, like shit's cop-l
