She's always on my mind
From the time I wake till
I close my eyes
She's everywhere I go
She's all I know

And though she's far away
It just keeps gettin storenger
everyday
And even now she's gone
I'm still holding on
So tell me where do I start
Cause it breaking my heart
Don't wanna let her go

Maybe my love will come
Back someday
Only heaven knows
And maybe our hearts will
Find their way
Only heaven knows
And all I can do is hope and
Pray 'cause heaven knows

My friends keep tellin me
That if you really love her
You've gotta set her free
And if she returns in kind
I'll know she's mine
So tell me where do I start
Cause it breaking my heart
I Don't wanna let her go

Maybe my love will come
Back someday
Only heaven knows
And maybe our hearts will
Find their way
Only heaven knows
And all I can do is hope and
Pray 'cause heaven knows

Why I live in despair
'Cause wide awake or
Dreaming
I know she's never there
And all this time I act so brave
I'm shaking inside
Why it does hurt me so

Maybe my love will come
Back someday
Only heaven knows
And maybe our hearts will
Find their way
Only heaven knows
And all I can do is hope and
Pray 'cause heaven knows

Heven knows.....
