[vinnie paz]

This is raw, all across the board, Liquid Sword  
Chamber

If it's coming from my jaw, then it's pure anger  
Heavy metal rap, with a 44 banger

We can settle that, let the mic cord hang ya  
I pay homage to the best of them, like Christopher  
Wallace

And bring drama to the rest of 'em, with biscuits from  
coppers

I'm with the Lord-Justice, and we raw gritty  
Picture hell, Philadelphia to New York City

I brought a four with me, we can capture the ring  
And now we more merciless than the Statue of Ming

And ya'll are more purposeless than a pacifist king  
You gonna die, like a brawl with a gat in the Bing

It's a passionate thing, the way we make classics  
Genuine brilliance or innate madness

Yeah, we all spin on the same axis

And this chrome thing here leave your frame backless

The police always trying to aim flame at us

So I don't mind when a pig brain splatters

I don't mind that we all gonna die soon

I return to the silence of God's tomb

Yeah...vinnie paz baby...yeah...yeah...yeah

CHORUS (x2)

There is no escaping once my blade start scraping

My sword indeed make more niggaz bleed

Wanabe of the mc's is shaken

So swift naked eye couldn't record the speed

{"I don't believe what I'm seeing,  
I don't believe it "}

{"Ladies and gentlemen, at this time we have  
To gonna please rise (you'll never quit  
No one will ever get it, there's no thing quit ..."}  
}

[gza-genius of Wu-Tang]

Imagine a rhyme in it's prime from off the baseline

Skyscraper a vertical support the hang time  
Evidence that was left at the scene of the crime  
Trace back to a few from outta group of nine  
Who performed well regardless to the price of the  
ticket  
Off or on stage whatever still kickin'  
With the footwork of Freddy Adu, it's all new,  
Now the rap commissioners, they wanna clone my shoe  
With the rose now, and it's difficult to climb  
With the heat and wind and fallen rocks combined  
Its hard to stay alined the course is an obstacle  
Within each chamber the force it unstoppable  
Lyrical swordsman blaze sharp, I'll cut out your heart  
Mc's want no part of any type of conflict  
Be 'cause when i respond quick, it gets thick  
The problem goes beyond sick

[Outro sample Vinnie Paz]

{" ... Wearin' red trunks with silver trim,  
Fightin' outta Philadelphia, Pennsylvania ..." }

This is how we do it

{" ... His game is tight, and there's nothing to do ..." }

Tazmanian Devil, Frank Sinatra, Jedi Mind, Wu-Tang

{"... I ain't shaking but I gotta have skill spin ..." }

What's the deal, baby? GZA/Genius,

{"... got the chance in life to redeem myself ..." }

Stoupe on the track, yeah  
My man Soop on the boards  
Those who dare oppose us shall stand  
Knee deep in the blood of their children  
Is that he who follows the pleasure of Allah  
Like him who has made himself deserving the  
displeasure from Allah  
And his abode and hell,  
And it is an evil destination...
