Good bye, it's time for me to go.  
I'll call you in the morning so I can let you know.  
The way you really feel girl to put your mind at ease  
Hmmm  
If I don't then who will  
If I make it still  
Wont you be there with me  
Yeahhh...

I'll be there one day and you'll be right next to me.  
I'll be there one day and you will be right next to me.

Hey there, will you be where I am?  
Will you be by myside girl, or with another man?  
Just wait a little longer,  
Girl I don't know how long.  
Just try to understand this is not what I planned,  
I'm sorry,  
Sorry this had to be.

I'll be there one day and you'll be right next to me.  
I'll be there one day and you will be right next to me.

Oh girl, every man needs a woman.  
You're the woman that I choose and I can't afford to  
lose you baby.  
I'll be there one day and you will be right next to me.  
I'll be there one day and you will be right next to me.

I swear to the world, you'll always be my girl.  
Just say you'll be, right next to me.  
I'll be there one day  
And you'll be right next to me.
