(Riley Martin, author of 'The Coming of Tan', speech sample)

"Perhaps you will believe the million feet of film that's been taken above...

Uh... Mexico City, and various other places

If you think that you are alone in this universe

Or that you are the guardians of this universe, then you are rudely mistaken"

[El Eloh from Lost Children of Babylon]

Took a physical odyssey

To the fathers of Shabazz

With the shamans of the Cherokees

Arrived in Nevada, 10 miles away from NASA

Met the farmer, in which he revealed to me the

Ohioan crop circles that linked all the star constellations

To 19th galaxy... The metaphysists

That quote the Roswell

New Mexican deserts of death valley

Will he be, extraterrestrial biological entity

Discovering extraordinary memories

Glided across Glassland

Suddenly seeing illuminations from the seven heavens circle of sand

Of Area 51 and 57, separate the schoolkid and reveal the reptilian

I seen the CIA transform into the species of Greys

The Sabbath seven adding up to seven levels of the Majestic 12

Neoclassic traveller

I Travel the Twilight Zone with Einstein and Nikola Tesla

Walk through the wilderness of Ibilis

As the flying disc, of Ezekiel

The pope stands upon the podium

Becomes a Zeta Reticulian

Behold the arrival of the Elohim ..."

[IKon the Verbal Hologram]

...Beware the prophecies of the Tarots!

Alien Spacecraft flying away like Sparrows!

Study the lost prophetic books of the bible
That recites Fallen body energies: spiritual survival
Flying discs seen in Ezekiel 1:3
Granted Kingu a tablet of destinies
Seviates spoke the word of the Bavarian illuminati
I bring forth harmonics of Hiroshima and Nagasaki!
Annunaki planted the seed where I dwell
Either vortex turbines pulling me to hell
Awareness upon my savannah as omni dimensional
Great species has a common memory complex of the
social
Liquid crystal colloidal membranes responding
To the spectrum of the universal intelligence matrix...
The basis is that extraterrestrials created Christ
And have a device
That recorded all of Earth's history
And can display it in the form of a hologram precise;
Construction of synthetic humanoids is among us
You have entered the Land Of Nod now, face the
deafening thunders
And the spiritual wonders
Because the harvest now is coming
Beware the world-wide ancient tunnel system
The government is running
Hectic! Verbal slaughter of the Judeo-Christian Ethic!

[El Eloh]

The world has turned on it's last spin
The coming of Tan- That is when ya learn! (x2)

[El Eloh]

Fled with the 5, led through a European wooded ravine
And seen Stone henge connect and bring upon the
Annunaki
The Highest kabbalah mystic chants by Elohim
And looks to the sky for prophecy
Was abducted in Nebraska
Then taken back to the laboratory, experiment
performed before me
Non earthly alien autopsy!
Psycho social biological and electro-
-Magnetic manipulation of human consciousness
The Vulcan walks about the abyss!

[IKon the Verbal Hologram]

The Verbal Hologram: Wordal killer like Shark eyes
Speak Babylonian and Hebrew genesis like the Star
Gods
Blessed by Biavians like the French theologians
Anti-Christ is coming in the form of a powerful Roman!
Development of Aid's was funded in 1969

For the seven (G-7)
And injected into 100 million Africans in '77
Cuneiform inscriptions in Western Asia of the Nabu
Dwell in hell, celestial bodies : twelve like Kathabu
But I can rob you of your spirit soul like Xenu
Elders imprisoned, negative Para-physical beings we
knew
Function outside the time-track like Ississani
I chose to be enclosed and I fold too, like Origami
Comprehend the theory of reflection like Paromatma
In the epic Sanskrit history of the world like
Mahabharata
Praise to His Divine Grace AC Bhaktivedanta Swami
Prabhupada

[Chorus]

[Riley Martin]

"If you stood above the stratosphere and downloaded
7 gigawatts of negative ions
Into the turbines would this not disrupt
the..electromagnetic flow?"
