Jedd Hughes
"All Mixed Up"

Leave it to me, turn nothin' into somethin'
Nothin's workin' out just fine
More than a dream, I'm thinkin' things I shouldn't
Knowin' that you'd never be mine

Oh, I'm a fool, for fallin' for your kisses
And losin' at your little lovin' games
Ah ooh, I didn't see it comin'
I guess I let my heart get in the way
Talk of the town, foolin' around
For you I guess it wasn't enough
For I wasn't thinkin'
I got it all mixed up with love

Alone in the night I hear the wind a singin'
Ringin' out the sound of your name
I know you were right our hearts were made for
breakin'
Now the price of love is feelin' the pain

Oh, I'm a fool, for fallin' for your kisses
And losin' at your little lovin' games
Ah ooh, I didn't see it comin'
I guess I let my heart get in the way
Talk of the town, foolin' around
For you I guess it wasn't enough
For I wasn't thinkin'
I got it all mixed up with love

Oh, I'm a fool, for fallin' for your kisses
And losin' at your little lovin' games
Ah ooh, I didn't see it comin'
I guess I let my heart get in the way
Talk of the town, foolin' around
For you I guess it wasn't enough
For I wasn't thinkin'
I got it all mixed up with love
Oh, I wasn't thinkin'
I got it all mixed up with love
