[Verse 1:]

I'm Kool G Rap Kaczynski and God wrapped in one  
I keep a stupid bitch around me just to stash the gun  
Fuck a crucifix, I'll use it just to stab a nun  
What y'all did is incurable to what Paz has done  
I'm Black Sabbath, you savages get a lashing tongue  
I'm black magic and ravenous, you a passive crumb  
I'm a Russian AK and you's a Gatling Gun  
I only listen to black metal and rap from Pun  
I treat bitches like a jewel thief, smash and run  
I write ignorance on loose-leaf, that's for fun  
You have the female tendencies of a bastard son  
They say it's parts unknown where the assassin's from  
Hey yo Jus Allah load the Glock, rob his drums  
And tell these sucker motherfuckers that the gods have  
come  
I drink clear liquor all the way to blackened rum  
The Glock an icebreaker, I don't mean a pack of gum

[Chorus:]

We that hardcore, we that hardbody  
Y'all that cardboard, y'all that carbon copy  
We Islamic wars, we that godbody  
We the Russian AK, we the sawed shotty

We that hardcore, we that hardbody  
Y'all that cardboard, y'all that carbon copy  
We Islamic wars, we that godbody  
We the Russian AK, we the sawed shotty

[Verse 2:]

My baby [?] hung herself, I was way too young to help  
It's no way I could've lifted her and strung the belt  
Wish she could've gave me something else, cruel  
summer  
But I'm always elated to meet the newcomers  
I like to stare at models to compare brothels  
Putting air in bottles, sharing pot and Aristotle  
With the baddest dime inhaling the [?]  
And we don't talk about past times and astral signs  
I'm fearless, there's an eeriness to my appearance  
I'm experienced in severeness

I'm embellished in devilishness, I'm a detriment to  
health and wellness  
I'm everything selfish and felonious  
I'm only aware of unfairness, Islam and Arabic  
Nuclear fission bombs and terrorists  
More torturers that would know order  
I live in close quarters, bodies everywhere  
It's an episode of Hoarders

[Chorus:]

We that hardcore, we that hardbody  
Y'all that cardboard, y'all that carbon copy  
We Islamic wars, we that godbody  
We the Russian AK, we the sawed shotty

We that hardcore, we that hardbody  
Y'all that cardboard, y'all that carbon copy  
We Islamic wars, we that godbody  
We the Russian AK, we the sawed shotty
