Now everybody tap on this
. exactly what to say
Even when everything is going astray .
We are on the way
. people at your house you keep away
[Jus Allah]
I have been to hell before
The friend of the devil I'm Skeletor
Wish I could visit the fellas more
Wish that I could get more bodies through the cellar
doors
I am always thinking of others
Should probably think of myself more
But I don't worry 'bout ... and health scores
I'm ... than health stores
I like wars and whores,
...,
Liquors and ...,
Sex, cigarettes and sycamores
Always got one to roll up and one twirled
All about guns and girls
In this underworld
So I got a truck load of guns in a .
But I dont go around shooting ducks and buffalo
I like it when the streets are crowded
I dont think to be discreet about it
Drink a blood, beats a salad
So I got to put a lot of work in
'Cause Im music thirsty again
Now everybody tap on this
. exactly what to say
Even when everything is going astray .
We are on the way
. people at your house you keep away
[Vinnie Paz]
