feat. Lost children of Babylon

[Verse 1: El EloH]

I am he who walks beyond the cycle of Tan  
A guinea systematic survey  
On the heavens long before the spells of Kimet  
I had advanced cosmos journey apologist  
Substantiate statements  
I commands the aspects of creation  
Astronomers cant even interpret my ancient civilisation  
Of Andromeda  
The Dragon of Dracos come touch the inner sun  
I went forth, a life force out of the core of Epsu  
Bring forth the possibilities of solar energy into infinity  
Like a Nimbo; endless, trapped it, Kingu;  
A myth too ignorant Like the Sumerians  
Explorer of the solar system like Galileo  
Bring the mist of Mahabharata  
Celestial God symbolic to the disagreeable complex  
mathematics  
Of the Hebrew bible  
Receive and transmit the letters of the Rasqiniaans  
Who have seen the 3rd suns  
I am like Milton Milankovich  
Who outline the theory of ground philosophies  
Messiah of all biblical tablets  
Watch how the process of creation  
links with the measurements of Tan  
Scientifical like a geologist  
I bring the geological changes to the world  
Like the prophecies of the Book of Revelations

[Verse 2]

The compartment allies  
Now my device shatters the fusel anomas  
And for my dialectical, destroyed innocuous  
sinconquent  
Travel beyond 5 dimensions  
A cipher cytoplasm or phantasm  
An Orcs sight;  
Antithetical to atoms

I leave you vacuous like an Organtoron, pulses  
Facilitate my brain waves, determining what planet I'm  
on  
CyberTron transmit my Mhakabaraso over the sea of  
influence  
Never neglect My lobular units  
Stereo-material movements  
Painfully Cranials statisticals giving your Cerebral  
Cortex  
Damaging Demigods  
Crushing egos, into w
