[vinnie paz]

This is raw, all across the board, Liquid Sword
Chamber
If it's coming from my jaw, then it's pure anger
Heavy metal rap, with a 44 banger
We can settle that, let the mic cord hang ya
I pay homage to the best of them, like Christopher
Wallace
And bring drama to the rest of 'em, with biscuits from
coppers
I'm with the Lord-Justice, and we raw gritty
Picture hell, Philadelphia to New York City
I brought a four with me, we can capture the ring
And now we more merciless than the Statue of Ming
And ya'll are more purposeless than a pacifist king
You gonna die, like a brawl with a gat in the Bing
It's a passionate thing, the way we make classics
Genuine brilliance or innate madness
yeah, we all spin on the same axis
and this chrome thing here leave your frame backless
the police always trying to aim flame at us
so I don't mind when a pig brain splatters
I don't mind that we all gonna die soon
I return to the silence of God's tomb

yeah...vinnie paz baby...yeah...yeah...yeah

CHORUS (x2)

There is no escaping once my blade start scraping
my sword indeed make more niggaz bleed
Wanabe of the mc's is shaken
So swift naked eye couldn't record the speed

{"I don't believe what I'm seeing,
i don't believe it "}

{"Ladies and gentlemen, at this time we have
to gonna please rise (you'll never quit
No one will ever get it, there's no thing quit ..."}}

[gza-genius of Wu-Tang]

imagine a rhyme in it's prime from off the baseline
skyscraper a vertical support the hang time

evidence that was left at the scene of the crime
trace back to a few from outta group of nine
who performed well regardless to the price of the ticket
off or on stage whatever still kickin'

with the footwork of Freddy Adu, its all new,
now the rap commissioners, they wanna clone my shoe
with the rose now, and its difficult to climb
with the heat and wind and fallen rocks combined
its hard to stay alined the course is an obstacle
within each chamber the force it unstoppable
lyrical swordsman blaze sharp, I'll cut out your heart
mc's want no part of any type of conflict
be 'cause when i respond quick, it gets thick
the problem goes beyond sick

[Outro sample Vinnie Paz]

{" ... Wearin' red trunks with silver trim,
fightin' outta Philadelphia, Pennsylvania ..." }

This is how we do it

{" ... His game is tight, and there's nothing to do ..." }

Tazmanian Devil, Frank Sinatra, Jedi Mind, Wu-Tang

{"... I ain't shaking but I gotta have skill spin ..." }

What's the deal, baby? GZA/Genius,

{"... got the chance in life to redeem myself ..." }

Stoupe on the track, yeah
My man Soop on the boards
Those who dare oppose us shall stand
knee deep in the blood of their children
Is that he who follows the pleasure of Allah
Like him who has made himself deserving the
displeasure from Allah
And his abode and hell,
and it is an evil destination...
