I know all the times were hard, I know that you've been
feelin' down

If you only knew how I'm feelin' for you

If I could take your pain I wish that I could wash it all
away

If you only knew how I'm feelin'

Mommy, I'm sorry if my first letter made you cry

To be honest with you, I don't think that I want to die

Sometimes I feel like that I'm cancerous in other's lives

That's probably why I drink at night and sleep 'til four or
five

It's kind of hard walkin' through life with my distorted
eyes

When I was younger, I was stupid and I thought I'd
thrive

I thought a lot about everything I said in the letter

And questioned whether or not if I was dead, you'd be
better

You think my shorty would be happy if I never met her?

It's too late now, mommy, I could never forget her

Could never forget how she taught me to love

'Cause my father and my grandmother is always above

It's glory above, you know that daddy taught me to
thug

And every time we was with nanny she'd bombard me
with hugs

Damn, I miss her, mommy and it's hard to believe

That I'm grown and I don't understand it why did they
leave?

It's better to die and sleep

Then never wake and sleep

Then linger on and dare to live

When the soul's life is gone

You've been runnin' around for so long

You've been hurtin' yourself too much

You keep messin' around with darkness

You're the one who's losin'

You've been runnin' around for so long
You've been hurtin' yourself too much
You keep messin' around with darkness
You're the one who's losin'

Mommy, I think that I'ma try to stick around a while
I got a niece and my nephews, they need me 'round a
while
I think they need me 'cause they hittin' that age
And they ain't tryin' to speak to Lenny 'cause they
spittin' they rage

Yeah, and mommy, speakin' to Lenny, I think my
brother need me
And we Italian, so you know my mother love to feed me
And it's the little things you do for me that make it
worth it
Like when I play a joint that we did and you say it's
perfect

And when Jake got knocked, you knew that I was hurt
You told me put all of my heart in the song and it
worked
I promised him that I'd be there when he got out the
bing
You ain't raise me to be a liar, ma, that's not my thing

I told him that I'd hold him down the whole time that he
gone
They kept him locked inside a cage but that's cool
'cause he's strong
So mommy, keep that first letter I wrote you on the low
I think I wanna stay alive and see if I can grow

You've been runnin' around for so long
You've been hurtin' yourself too much
You keep messin' around with darkness
You're the one who's losin'

You've been runnin' around for so long
You've been hurtin' yourself too much
You keep messin' around with darkness
You're the one who's losin'

{You have power and money but you are mortal
You know you cannot escape death
But immortality can be obtained
The legend is always the same}

{If others have succeed in conquering death
Why must we accept it?
I know where the immortals live
And how to obtain their secret}

{We too must become wise men
The elements of chemistry are many but finite
So are the techniques of enlightenment}

I know all the times were hard, I know that you've been
feelin' down
If you only knew how I'm feelin' for you
If I could take your pain I wish that I could wash it all
away
If you only knew how I'm feelin'
