[Jus Allah]

The metal inside the barrel passes  
Through the frames in ya glasses  
Quick passage  
Leave your dome piece backless  
Envision blackness  
Leave you hatless  
Fucking capless  
Watchin Niggas dig the spot where the Earth's crack is  
Hard to graph like science and math is  
The cavemen who dont practice and live backwards  
We oxin'  
With streets is watchin  
Release shotguns  
Niggas got Dietz and Watson  
Feel no love  
No way you shield the slugs  
The ill thugs  
We box with steel gloves  
Doubt my faith  
you can taste the slug case  
Leaving niggas looking like dogs with the pug face  
Even your girl can catch the capsule  
I love pussy  
But never the bitch that its attached to

Why you wanna battle wit kids with steel tongues?  
Who rip up mics and drink "puerto-rock(rican)" rum  
85 (the 85%): face the truth, you're too dumb  
If retaliation comes yo then fuck it it just comes

(repeat)

[Ikon]

We itchin' to kill  
Thats why we spittin' the real  
Stick to the drill  
And maybe we'll be grippin a mill'

The clip'll expel  
Dump 'em in a ditch or a hill  
"cause the muthafucka aint left me shit in his will

And y'all was always soundin' like a bitch when you spill  
And we the rawest muhfuckin' clique in the field  
So real muthafuckas better recognize real  
Or ill muthafuckas gonna exercise skill  
Y'all better chill when the Hologram build  
Lil muhfuckah got hands is like steel  
Whoever approach me and what i feel  
"while u find ya legs bein' replaced by steel"  
So y'all better yield  
Or ima choke faggots  
My hands held more razorblades than coke addicts  
We like to quote facists  
'cause we the meanest  
And rip off your fingers with the pliers of Chakademus

Why you wanna battle wit kids with steel tongues?  
Who rip up mics and drink "puerto-rock(rican)" rum  
85 (the 85%): face the truth, you're too dumb  
If retaliation comes yo then fuck it it just comes

(repeat)

yo yo yo yo yo yo jedi mind baby  
lledelph stand by, baby, naw I'm sayin? lkon the  
Hologram  
JusAllah, Jusallah  
My man Chico, enemy of mankind.....

Naw I'm sayin'?
