(verse 1)

VINNY PAZ

Yall mother fuckers woke a demon up
The bullets splatter through your spleen and guts
The whole click duckin they PO, they need to pee in
cups
We murder shit like everything the Europeans touch
I dont even talk to mother fuckers that could lead the
trust
We on our D and devils only deal with greed and lust
Feed an elephant with bear hands and take his lead
and tusks
Anytime you hear a cop was murdered best believe its
us
Jus Allah load the glock put em in norweigen dust
I aint i sucka i was born with hercules in us
Strangle snakes, dangle grapes fed by European sluts
Yall know where to come to when you need the fuckin
trees and dust
Ayo D?? i need by ?? these fucks
I got the power to devour trees , seas and such
I got the power thats the caliber of jesus touch
It dont matter the caliber i proceed to rush
Vinny on a whole nother algebra than the Greeks could
touch

(verse 3)
Jus Allah
I have lived a century
Ive tapped into my 6th sensery
I am a potential enemy
My entire inner chemistry, every inch of me, is divinity
Unequivocally supremacy
I am undesired energy
Sends friendly, sends empty
Show the prince of peace no clemency
give him an extremety of insensitivity
Let his kid and ministry witness his disassembly
I just lost sufference, undestructive, unproductive,
tussid
Not much substance, thuggage
Above judgement
Unaware of any error of delt
Where it counts im a fair amount of paramount
I am body a monopoly of ungodly
The ??????????
My apology, arrid, insencarity, carity, buried generic its
hilarity
