You say you're on it but you just don't know  
You're spending money like you're on death row  
You must be mis-educated  
By all the guys that you dated  
You think I'll take the bait but I don't think so

Ohhhh  
Am I headed for a car crash?  
Ohhhh  
Is this about to be my next, she takes the  
Ohhhh  
I'm about to fall in head first  
Sisters let me tell you how it works

HEY!

(CHORUS)  
She's got her lipstick on  
Here I come, da da dum  
She's got her lipstick on  
Hit and run, then I'm gone  
Check my collar, collar, hey, hey, ey  
Check my collar, collar, hey, hey, ey

Oooohh, Oooohh

You look at me and I got you in mind  
I come on over see what I could find  
No appetite for delusion  
I could've been what I'm losin'  
You're saying yes when it is no, no, no, no

Ohhhh  
Am I headed for a car crash?

Ohhhh  
Is this about to be my next, she takes the  
Ohhhh  
I'm about to fall in head first  
Sisters let me tell you how it works

(CHORUS x2)

It's not that I don't wanna play (play, play)  
And then I didn't look your way (way, way)  
It's not like every girl's the same (same, same)  
You gotta know just how to treat this miss  
Or she will be dismissed

Heyyyyy

(CHORUS x2)

Here I come  
Here I come  
dum da dum da dum da dum  
(x2)

Hit and run  
Hit and run  
dum da dum da dum da dum

Then I'm gone  
Then I'm gone  
Gone, gone, gone, gone
