You're gonna see things differently
Look at it from my P.O.V.
I'm gonna watch you watch me, joyfully
Wooh wooh, from my P.O.V

I'm gonna party hard, 'til the morning light (oh,
oh)
I'm gonna get rocked up, cause a scene tonight
Make you turn the camera 'round, put your eye to
the lens
Gonna give your best performance, no offense

You're gonna see things differently
Look at it from my P.O.V.
I'm gonna watch you watch me, joyfully
Wooh wooh, from my P.O.V

Cause girl I can chew you up, like a bubblegum (oh, oh)
I'll make you pop and spit you out, when I've had my
fun (oh, oh)
Did you really think it over, carefully
When you ran around and thought, that you were me

You're gonna see things differently
Look at it from my P.O.V.
I'm gonna watch you watch me, joyfully
Wooh wooh, from my P.O.V

You're gonna see things differently
Look at it from my P.O.V.
I'm gonna watch you watch me, joyfully
Wooh wooh, from my P.O.V

Please don't hate me
But you can't break me
Just zoom in closer
Tonight, tonight, tonight

You're gonna see things differently
Look at it from my P.O.V.
I'm gonna watch you watch me, joyfully
Wooh wooh, from my P.O.V
