Talk to me  
Tell me your name  
You blow me off like it's all the same  
You lit a fuse and now I'm ticking away  
Like a bomb  
Yeah, Baby

Talk to me  
Tell me your sign  
You're switching sides like a Gemini  
You're playing games and now you're hittin' my  
heart  
Like a drum  
Yeah, Baby

Well if Lady Luck gets on my side  
We're gonna rock this town alive  
I'll let her rough me up  
Till she knocks me out  
She walks like she talks,  
And she talks like she walks

And she bangs, she bangs  
Oh baby  
When she moves, she moves  
I go craZy  
'Cause she looks like a flower but she stings  
like a bee  
Like every girl in history  
She bangs, she bangs

I'm wasted by the way she moves  
No one ever looked so fine  
She reminds me that a woman only got one thing on  
her mind

Talk to me  
Tell me your name  
I'm just a link in your daisy chain  
Your rap sounds like a diamond  
Map to the stars

Yeah, Baby

Talk to me

Tell me the news

You wear me out like a pair of shoes

We'll dance until the band goes home

Then you're gone

Yeah, Baby

Well if it looks like love should be a crime

You'd better lock me up for life

I'll do the time with a smile on my face

Thinking of her in her leather and lace

Well if Lady Luck gets on my side

We're gonna rock this town alive

I'll let her rough me up

Till she knocks me out

She walks like she talks,

And she talks like she walks
