Buddy you're a boy
Make a big noise playin' in the street
Gonna be a big man some day
You got blood on your face, yo' big disgrace
Kicking your can all over the place
(Singing)

We will, we will rock you (ha haa)
We will, we will rock you

(Come on)
How about little something to get you in the mood
Know what I mean?
Watch your back, we got Queen on this track
Bring the feedback, and let it drop
As long as we bring the funk
Queen bring the (Rock)
And it don't stop

Buddy you're a young man
Hard man, shouting in the street
Gonna take on the world some day
You got blood on your face, big disgrace
Waving your banner all over the place
(Singing)

We will, we will rock you
We will, we will rock you
We will, we will rock you
We will, we will rock you

Go, go, go, go, go, go, go, go,

(Ah)
Buddy you're an old man, poor man pleading with your
eyes
Gonna make you something some day
You got mud on your face, big disgrace
Somebody better put you back in your place
(Singing)

We will, we will rock you
We will, we will rock you
We will, we will rock you
We will, we will rock you
Rock you
Rock you
